- Website has not been updated
- Would like to see our material before we present to avoid surprises - Needs to be scheduled
- Need to understand battery chargers better. What is capable.
- Build something - have something ordered by end of season ...
- Lead time on batteries?
- Need to find battery model & software
- Dean Edwards

would like to see:
- Model of battery approach
- Website updated
- Pros/Cons of schemes (be able to describe)
