

Matthew I. Warren

327 W Lauder #1502

(208) 891-1239

matthewwarren@vandals.uidaho.edu

Objective

To graduate with a bachelor's degree in electrical engineering with an emphasis on integrated circuit design.

Education

Associates in Electrical and Mechanical Engineering, College of Sothern Idaho, Twin Falls, Idaho, 2007.

Bachelors in Electrical Engineering, University of Idaho, Moscow Idaho, expect to graduate December 2009.

Applicable Coursework

Classes that I have already taken

- ECE 240 Digital logic
- ECE 310 Fundamentals of Electronics
- ECE 340 Microcontrollers
- ECE 410 Advanced Electronics

Classes that I am currently enrolled in

- ECE 415 Analog integrated circuit design
- ECE 440 Digital systems engineering

Work Experience

Finish Carpenter - Iron Plane Woodworks – Summer of 2006 and Summer of 2007
Owner: Michael Warren 1-208-859-8361

Cheese Rework Technician – Glanbia Foods, Inc, – Summer of 2008
Glanbia Foods, Inc. , Gooding, Idaho
Human Resources - Tyson Thomas, 1-208-934-8195
