4/16/08: Results of Design Review

- Dr. J. Frenzel, Dr. R. Wall, Dr. C. Wagner attended

- Comments
  - Need bigger text on diagrams
  - Need to rehearse more before hand
  - Text hard to see on chosen background
  - Focus less on what we could have done, use phrases like, “we need to beat the box into submission”
  - Develop pseudo code for the intersection
